Company White Paper

Welcome To [EVERGREEN-PORTFOLIOS.COM](https://www.evergreen-portfolios.com)

Cryptocurrency mining & investment company
that has been legally
registered in the Hong kong

Reliable Investment

EVERGREEN-PORTFORLIOS.COM

Multiply your capital by investing in one of the most important financial centers of the world!

About Us

evergreen-portforlios.com minings bitcoin cloud mining offers you smart and easy way to invest in bitcoin with zero stress. Our bitcoin cloud mining services is suitable for those who are new to the world of cryptocurrencies, as well as for bitcoin experts and large-scale bitcoin investors. Unlike most other Blockchain ventures in the space, we are not a peer-to-peer lender. We have a team of experts in blockchain networks, mining algorithms, and data center hosting, who provide the most efficient and reliable cryptocurrency mining services. .

We are all strong believers in the future of digital currencies and we love being part of this growing community. We will provide you with insightful information, analysis and judgments on the current markets, and make the right investments for you. We are engaged in providing our bitcoin mining resources to users for cryptocurrency mining. Customers receive the computing capacity for a monthly, annual, or one-time payment.

This approach gives mining accessibility to those who cannot afford locating equipment on their premises. There is no need to pay large electricity bills or hear noise from coolers at home. Besides the fact that we mine with the very same hardware that we offer to our clients, We believe that offering a completely free bitcoin mining platform is possible.

Our goal is to make bitcoin cloud mining truly accessible to everyone regardless of investment size, technical background or experience in cryptocurrencies. We also use this platform to market and sell dedicated mining hardware to large companies/investors as a bit to generate more profit to keep the company running.

By selling shares and dedicated mining hardware help the company generates more profit more than we would have done mining alone. We provide a multi-algorithm, multi-coin cloud mining service using the newest technology - with none pool fees. the last word goal of our existence is to form cryptocurrency mining a simple, smart, and rewarding experience for all. Our services already attracted quite 1.000.000 people - We'd be happy to serve you as well!
